

**P/N: AMT-ISO2040-18-25**

**Technique Specification**

|                       |             |
|-----------------------|-------------|
| Frequency Range       | 2.0 -4.0GHz |
| Insertion Loss        | 0.6 dB Max. |
| Isolation             | 18 dB Min   |
| VSWR                  | 1.30 Max.   |
| Forward Power         | 25W/CW      |
| Reverse Power         | 1W/CW       |
| Peak Power            | 50W         |
| Impedance             | 50Ω         |
| Connector             | SMA-Female  |
| Operating Temperature | 0 ~ +55 °C  |
| Storage Temperature   | -55 ~ 125°C |
